

OURIKA VALLEY – AGAFAY DESERT DAY TRIP:

After breakfast, hike to the mountain villages of Ourika on a full-day excursion from Marrakech, and discover the splendid landscapes of the High Atlas. Explore rolling walnut groves and gain insight into local life in the small community. We delve even deeper into the rugged scenery: after driving to the Ourika Valley, the landscape is breathtaking with lush green valleys, mountain peaks, and rushing waterfalls. For lunch, we stop at the village of Setti Fatma, with its 7 waterfalls.

Upon your arrival, you'll have the pleasure of sipping traditional mint tea and savoring the flavors of Moroccan biscuits, after which you'll have the option of taking a sunset camel ride, an experience that will allow you to capture memorable photos and witness the beauty of the desert.

As night falls, a delicious dinner awaits you, served in the warm setting of a traditional tent or outdoors, with panoramic views of the surrounding hills and mountains. The ambiance is accompanied by the rhythms of traditional Tam Tam drums played by local nomads, who will entertain you throughout the meal. After this unforgettable experience, we will drive you back to Marrakech.
